Dear Parent or Guardian:

We are pleased to inform you that Caroline County Public Schools will be implementing an option available to schools participating in the National School Lunch and School Breakfast Programs called the Community Eligibility Provision (CEP) for the 2022-2023 School Year.

What does this mean for you and your children attending any school in the division?

Great news for you and your students!

All enrolled students of **Caroline County Public Schools** are eligible to receive a healthy breakfast and lunch at school at **no charge** to your household each day of the 2022-2023 school year. No further action is required of you. Your child(ren) will be able to participate in these meal programs without having to pay a fee or submit a meal application.
