

Caroline Middle School After School Permission form

School year 2024-2025

I am giving permission for my child to participate in an after school activity this school year at Caroline Middle School. I understand the hours of this activity as well as the specifications and demands for both my child and myself. We both understand that this is an extension of the school day, and all school rules and regulations apply and that failure to abide by these guidelines may result in further disciplinary action and can include dismissal from the activity.

Additionally, CCPS offers Activity bus transportation throughout the school year. This service is available M-TH except for days before a holiday (not a break, the actual day). Those routes are listed on the back of this page. I understand that if I decline these services, I will adhere to the pickup times of the activity bus. Failure to do so will result in dismissal from the activity. If accepting these services, please put your route number below.

If you need to get in touch with someone at the school, below is the list of administrators on the specific nights.
